

SMART Board Installation Service

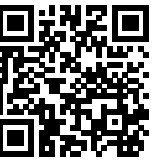

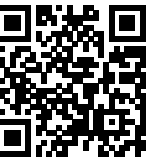

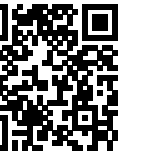

Location **West Midlands, West Midlands**
<https://www.freeadsz.co.uk/x-332935-z>

Duotech Electronics SMART Board We offer our clients complete peace of mind with our SMART Board Service. Our Qualified Projector installers will install your SMART Board system from start to finish, including assisting with the design of the system, sourcing relevant products within an agreed set budget. We also pride ourselves on having excellent after sales support. We provide Projector Installation and Interactive White Board Installation services to the Residential, Corporate, Educational and Leisure Sector. We deal with private to major corporate projects; we have a wide variety of clients and work with any type of organisation. No project is too small or too large, just get in touch with your requirements and we will be happy to quote on the project at hand. Our experienced engineers will ensure you achieve your required AV set up within your budget. We always ensure the installation site is neat and tidy and keep disruption of installation site to a minimum. SMART Board Solution Services have many different models and products of Interactive whiteboards and displays. See below:

- * SMART Board @ Interactive whiteboards
- * SMART LightRaise @ Interactive Projector
- * SMART Board E70 interactive flat panel
- * SMART Podium
- * SMART Table Our Company provide Projector and Projector Screen Installation too. Be it Home Cinema Projector installation, Corporate Projector Installation or Smart Board Installations for Board Rooms or Educational use, we will be able to supply and install.
