Kitchen Space Studio Ltd. are bespoke furniture makers in the UK. We create beautiful, bespoke kitchen furniture, wardrobes and other hand-crafted furniture – studies and desks, bookshelves and display cabinets, storage cabinets for bedroom and bathroom. With us, you can design and build bespoke furniture for any part of your home. Our kitchens are made from the best materials available on the market, unfading systems and lasting fittings. Our work is not merely made to measure, it is a totally flexible – combination of a contemporary aesthetic with timeless elegance and offering a limitless choice of materials, colours, fittings and styles. All our bespoke kitchens are designed to not only look good, but also comfortably cope with the rigours of day – to – day use. With us, you can design your kitchen without compromise. We can guide you through the process. We offer home visits to customers and then we do the measurements, design and make 2D drawings and 3D visualization. This is particularly useful to the customers who wish to arrange their kitchen space in a unique way. We advise, design, quotation – absolutely free. By ordering our kitchen furniture, you have no cost until accepting the project. Our aim is to provide you with complex services, therefore when commencing the cooperation, we are constantly available to our customers. Throughout the whole time we offer you help from our most experienced consultants and designers. In addition to our kitchens, we propose a wide range of kitchen worktops (granite, quartz, marble, corian, solid wood, laminated), glass splashbacks and many other types of additional equipment kitchen cabinets. Whether you choose a traditional, classic, contemporary or ultra-modern design – with us, you will create a unique, practical and beautiful kitchen of your dreams!
