Only a couple of months old complete with a full 5 year John Lewis guarantee for your convenience (see pictures). It really pains me to have to sell this fabulous TV. I am moving across the pond which means the voltage will not work Stateside hence the sale. The colours are so rich and vibrant and its upscale capabilities are of the best I have ever seen. You can easily access a wealth of features at the touch of a button to stream the likes of Amazon and

---

Netflix.

The free walnut stand you see in the pictures is 160cms wide 45cms high and 35cms depth. It comes complete with LED capabilities and a remote to suit your mood during film nights.

#### Product information

The Sony X85 brings all the detail of 4K Ultra HD right into your living room. Powered by the 4K Processor X1 chip, content is upscaled to its best 4K resolution which brings a stunning quality to whatever you are watching. Better still, with Android TV and Youview, you can enjoy a wealth of Smart device entertainment on the slim 65" screen too.

#### 4K Processor X1

Behind a high definition picture is a powerful processor which delivers 4K UHD colour, clarity and contrast. Whatever you are watching, from TV broadcasts, Blu-rays, DVDs or even 4K Internet videos, the picture is boosted to 4K Ultra HD clarity with greater contrast and more lifelike colours.

#### Android TV

Your Smart TV has just got smarter with Android. Developed by Google, you'll be able to enjoy seamless entertainment, intelligent search and the latest apps from the likes of Google Play and Netflix\*. All the personalization, intelligence and entertainment of your Smartphone or tablet can be easily viewed on the Sony TV too which takes your viewing experience to a whole new level.

#### Game-Changing HDR
