My name is Monika and I would like to offer my help with keeping your place clean and tidy (charge £10 per hour). I'm working Mon-Fri from 12.00-21.00 but will be happy to clean your house over the weekends and my free time. If it will be not far from my place I can come over early mornings in a week days. I live in Crystal Palace (SE19 2AS). Hope you'll be satisfied with my service because I like to keep my place in immaculate condition. Many thanks Monika (mob.07729757309 077297573...(click to reveal full phone number)) / email: click to
