Large estate car nice clean interior, 6 speed gearbox , cruise control , tow bar and single socket, very good tyres all round, will make a great work horse or dog carrier. A few age related marks as you would expect ,but drives very well.Good service history,Cambelt changed at 77,834 miles and last serviced at 114,000 miles in October last year. M.O.T. January 2017, All Hand books with the car. Bad points low vibration from clutch but drives very well, i had it checked over by Local Vauxhall dealer No rear head rests or load cover The previous owner never brought them in and thats.
