The Angel Investment Network platform helps entrepreneurs with great business ideas find the funding and guidance they need to grow their businesses and succeed. The biggest problem a budding entrepreneur faces is finding the right source of investment for their business; it is often not simply a question of the money but also where the money comes from. AIN connects entrepreneurs with a global network of nearly 100,000 investors so that they can find an investor with the right credentials and industry experience to help their business.

AIN's affiliate programme allows people to earn commission on referring startups to the platform. All it takes is a quick registration and you receive an affiliate code, link and banner. You can monitor any deals you refer through your private dashboard and earn 10% commission on your referrals. For more: <https://www.angelinvestmentnetwork.co/>
