For sale is my Moog Voyager Old School. It is in full working, good cosmetic condition, with a minor scuff on the corner of one of the wooden cheeks (will easily varnish up). HOWEVER, it does have a couple of intermittent technical issues that I will explain on request. However, this is likely to be nothing that can't be fixed, but I just don't have the time or tools to do it myself. Otherwise it plays fine, sounds great and is 100% functional. Buyer to collect and pay cash on collection..
