## HOW DO WE GO TO PARADISE

â€⟨â€⟨In order to go to Paradise, we must not talk to demons or stop talking to them long time before the end of our life.

At the end, the Father will ask us: "Where do you want to go?",

We must answer: "Father, bring me to Your Paradise."

Then the Father will ask us: "Why should I bring you to My Paradise?"

We must respond: "Your son Mr. Dibis Nguembock told me that the Father will bring me to His Paradise".

Everybody must know this, it's very important!;
