BMW R850R in good condition. I have owned it since 2010 and have only covered around 3500 miles since that time. Its very reliable and has always started. It has 12 months MOT and comes with BMW panniers and a choice of 2 top boxes. Its very comfortable for day long cruising and has adjustable ride height in the saddle. My pillion passenger says its comfortable too. I'm selling simply because its so underused these.
