A very tidy example for her age and mileage with very few signs wear and tear. The car drives very well indeed and has a nice crisp clean interior. Great value for money which will certainly look like more money sat on your driveway. Nice specification including climate control, alloy wheels, remote locking, cd/radio/changer, computer, ABS, electric windows and mirrors. Finished in lovely electric blue with black textile interior. The 1.6 petrol engine gives a perfect blend of economy and power being capable of upto 40 mpg with plenty of power. Great service history and no cambelt to worry about due to the car having a camchain.
