black glass 6 seat garden table and chairs, lazy Susan, chairs can recline, umbrella stand and umbrella, umbrella has faded from the sun as shown in pic, there are 6 head cushions that came with the set though these have also faded from the sun and the elastic band that holds them round the chairs has stretched and lost it's elasticity. There are little plastic caps that go over the screw part on the chairs, some of these are missing, this does not affect the chair at all is purely cosmetic. The set is 3 years old and cost me £800.;
