 ★★★★★ Friendly Accountants who look after us
 I contacted AM-Accounting because we had heard about their excellent customer service and were looking for a bespoke package where we would get taken care of better. We are very pleased with the way they have kept us up-to-date with all of our Accounting requirements and really like the friendly, hands on, pragmatic approach in dealing with us & our business. They take care of our bookkeeping using Sage Accountant online, analyse out our yearly accounts & VAT returns, and keep us informed of taxation changes guide us with financial aspects of our company.

 I am very impressed with the fast and prompt, sometimes out of hours at no extra cost, service I received. A friendly likeable company who I shall use, and highly recommend to all I can in the future.
