Renato Casaro's "Shooting Break" Print (138cm x 98cm) in a Large Timber Frame This magnificent timber framed print is titled "Shooting Break" and is an illustrative adaptation by Renato Casaro of a photo taken in 1932 titled "Lunch atop a Skyscraper". The original photo was of eleven men eating lunch while sitting on a girder above the streets of New York during the construction of Rockefeller's new skyscraper, the RCA Building in Manhattan. Casaro, who is famous for many handpainted movie posters, has replaced the workers with famous people, from left to right: King Kong, Clark Gable (It Happened One Night), Charlie Chaplin (His Tramp character), John Wayne (The Man Who Shot Liberty Valance), Humphrey Bogart (The Maltese Falcon), Marilyn Monroe (Generic, but inspired by The Seven Year Itch), Elvis, James Dean (Rebel without a Cause), Steve McQueen (Bullet), Edward G Robinson and Johnny Weismuller (Tarzan). Would look fantastic in the home or for pub decoration, shop decoration, restaurant decoration, office decoration. It is impressive. The frame could be painted to match your own decor. It is in excellent condition. The glazing is perspex. Delivery to UK Mainland Only ie England, Scotland, Wales and Cornwall. Dimensions Width Frame: 1500mm Width Print: 1380mm Height Frame: 1100mm Height Print: 980mm find us kode-store on ebay or email us
