

# Old drill bits augers wanted

Location **South East, West Sussex**  
<https://www.freeadsz.co.uk/x-350778-z>

Does anyone happen to have lurking in their garage any twisted drill bits or augers that they no longer need? It does not matter what size, condition or how rusty they are as they are going to be used in a sculpture project. Casters, nails of any kind and size, nuts and bolts and galvanised staples also needed. Thank.
