

Submersible Dirty Water Pump 750W with 100m hose (35 GBP)

Location **South East, West Sussex**
<https://www.freeadsz.co.uk/x-350780-z>

This is a good quality pump bought in 2012 when floods threatened but never came. Hence it is brand new, and completely unused. Not sure if it could be used for pond. 100 metres of hose in similar condition. Been in my shed ever since but now really getting in the way. Buyer collects
