1200cc, Manual 6 speed, 1,660 miles, White, 1 Owner. The VFR1200FD features dual clutch transmission, the world's first fully automatic dual clutch transmission for largedisplacement motorcycles. This new transmission offers riders the enjoyment of full sports riding capabilities along with effortless and seamless operation, applied in a powerful, largedisplacement machine. At the same time, this transmission's superior efficiency can deliver fuel efficiency equal to or better than a conventional manual transmission. To respond to rider demands through a broad range of conditions and situations, the transmission offers three operating modes: two fullauto modes Dmode for relaxed, fuel efficient operation and Smode for sports riding, and a sixspeed garselect mode for full rider control via electronic triggershift controls that deliver the same shifting response as a manual transmission. Full Service History, HISS SECURITY SYSTEM, ABS.
