A brilliant example of a Ducati Diavel Carbon that has only done 4076 miles from new. The bike has three service stamps with the last being at 4046 miles. This bike is accomplished at everything, has a huge amount of character, massive grin factor and turns heads wherever you go. The bike comes fitted with heated grips, a blessing on those cold days. Top spec engine protectors have been fitted just in case the worst should happen. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 01246 8600...(click to reveal full phone number) for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
