St. Michael's Rest Home cares for people aged 65 and over, who are living with dementia. We are a small friendly home, a stones throw from the beach. We provide good quality, dignified care, ensuring that each person is encouraged to be as independent as possible. There are a limited number of lovely spacious en-suite rooms left, including a double room. We actively encourage new residents to decorate their rooms, to bring in furniture, pictures and any other items that will ensure that they feel like home. Please contact Kelly on 01424 210210 01424 2102...(click to reveal full phone number) for an informal.
