This is beautiful double bedstead with 2 drawers comes with matching bedside table and very comfortable pocket sprung mattress.
 There are no scratches or damages anywhere on the bed frame.

The condition of all items is very good and like new, I only had them for 6 months.
 The mattress was protected with mattress protector during its short life with me and there are no stains, marks or anything like that.
 I have also included two cushions and the rug as shown in the pictures(they are like new and bought in BHS" (optional).
