Photo coming soon.
 Please feel free to pop in and view the bike in person

Here we have an immaculate 2010 Honda VFR800. The bike is in untouched/standard condition, just as it came out the crate. This bike has a documented service history and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. The paintwork is in great condition and has been fully polished by our on-site valet. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. With an alarm fitted for security, this will reduce those heavy insurance costs and give you more peace of mind. This bike is fitted with an Anti Lock Braking System (ABS), giving you more confidence while riding. This would make an excellent commuter bike. Also fitted with a centre stand to make washing and maintenance a whole lot easier. The bike comes with a set of lockable Hard Luggage, great for those trips away. A Top Box is also fitted to this bike, very useful for commuting to work or carrying your waterproofs in case the rain comes. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket. Fitted with a seat cowl, this gives the bike a sportier appearance. Being Fitted with Adjustable Brake and Clutch levers enables the rider to set up the bike as they want it. This bike has a digital instrument display making it quicker and easier to see your riding information while riding. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock.
 *NOTE: Alarms can be fitted to any bike at an additional**
