NEC MultiSync P521

52" LCD HDMI flat panel Screen.

Normal Tv functions are used with a digital or Hdmi connection for hd viewing.

The NEC MUltiSync P521-AVT 52" Display Screen with ATSC Tuner is a professional-grade LCD screen that combines industrial strength design with full HD images and advanced features.

Ideal for digital viewing from Sky and Virgin to the highest level of online gaming or any HDMI digital television or media signal. The P521-AVT offers enhanced video wall capabilities for the ultimate in gaming or multiscreen viewing for the Euro 2016 football or any other events. The screen has an exceptionally broad range of inputs, including component, composite, HDMI, DVI, VGA and Display Port with the MultiSync multi screen capability.

Perfect for pubs, clubs and events while offering you a superb set up for your high definition home theatre system.

Comes with remote control and power lead.
