Location **Wales, Mid Glamorgan**
<https://www.freeadsz.co.uk/x-367921-z>

Marine Aquatic Specialists - Rock N Critters are here to help with all your aquatic needs. We offer a range of services, from designing, installing, and maintaining bespoke aquariums for your home or commercial projects. Our store holds 3,500 gallons systems, where we hold numerous livestock. Marine fish such as Clownfish, Wart Skin Angler, Achilles Tangs, etc. Hard Corals- both SPS and LPS such as Trachyphyllia, Acropora & Montipora. Soft corals, such as Mushrooms, Zoa's and Button polyps. Inverts like snails, crabs, urchins, sea cucumbers, and feather dusters. We hold a vast supply of Live rock to include Fijian live rock, Branching , and Plate rock. We source hard-to-find corals/fish. We also have available live foods such as our own Phytoplankton, as well as regular supplies of Brineshrimp, Mysis shrimp & River Shrimp. There is a wide selection of dry goods products from the top brands such as Aqua-Medic, D-D, Evolution Aqua, TMC, etc. In-store water testing is available, as well as Reverse Osmosis water, and Ready Mixed Salted water. Whether you are a newbie, or an advanced reef aquarist, we can help you with your hobby Find us on Facebook - give us a like for all of our latest livestock lists & other great articles ! :)
