For sale is a Ford Focus Estate

Comes with MOT, new clutch, new brakes and new fuel line

Fully working sunroof, electric windows, stereo, etc.

Really good runner, very reliable, is being kept up and maintained all round, been recently bought of a garage and due to change of circumstances looking to sell
 She does sound a little rattly from underneath, had a mechanic look at it saying it needs the front section of the exhaust replaced. Apart from that the Ford is driving lovely and reliably, we are driving the car up to date every day, perfectly
