2 Bay trees in standard style approximately 5ft high in pots (50 GBP)

Location South East, East Sussex https://www.freeadsz.co.uk/x-368719-z

Two standard style bay trees, very established, standing around 5ft high but needing a trim back to shape. In great condition. Happy to sell separately but they are lovely as a pair, being sold in their pots, which look like terracotta but are actually plastic (much lighter to move). To be collected from Hassocks, might be able to deliver to very local address for the asking price.
