About Rehoming 4 Pets Rehoming4pets.com classifieds website. We have a great love for Dogs, as a child I have fond memories of rushing home from School to see my best friend, which we picked up from an animal shelter Battersea dogs and cats home. And it makes me so angry to here about animal cruelty and abandoned animals, a family pet can bring so much joy into a family home, So We decided to make this website to help you choose your Ideal companion. Established animal shelters are always free to advertise on my website. Just contact me, by the contact us page first. Adverts listed will also be shown on my Rehoming4pets facebook and Twitter Page ;
