

# Tmc v2 ilumenair marine reef coral light led tank not radion eco tech hydra kessil (300

Location **South East, East Sussex**  
<https://www.freeadsz.co.uk/x-369304-z>

One used for only 6 months immaculate fully boxed with receipt tmc v2 ilumenair 900 Purchased November 15 so still in warranty Amazing light with high par and great colours has to be seen to appreciate All accessories as when new box receipt and remote Plus Unused hanging kit included also included The TMC V2 iLumenair 900 uses modern and intelligent technology to flood your tank with the best LED light. The unit has a remote control and can be set to play out beautiful natural colours replicating sunrise to sunset as well as a storm and cloud setting. Storm settings have been found to promote natural breeding instincts in some fish, so this can be a handy tool. As the iLumenair uses LED lights it is very energy efficient and long lasting, saving you both money and power. The unit has a power read out display, which shows you how much electricity is being used. The unit has a blue light up trim around the edge for a stylish touch, and this can be switched off to save energy. The unit has a built in handy thermal cut off function to avoid overheating and possible damage. The iLumenair 900 can sit atop the tank on the mounted brackets, or even suspended above, using a kit available separately. The unit extends and can fit tanks from 700-1200mm long x 300-880mm wide.

2 x 35w 12k White, 24x 3w Royal Blue, 3 x 3w Red, 3 x 3w Green and 2 x 3w Amber Key Features:

- Remote control
- Twilight/Sunrise/day/Sunset/moon settings plus storm and cloud modes
- Power read out indicates electricity use
- Thermal cut out to avoid overheating
- Can be mounted on tank or suspended (suspension kit not included)
- Multi coloured LED for the best results
