Lovely example of a Victorian scottish pine chest of six drawers supported by Turned Columns. Painted in Swedish Blue chalk paint from Autentico, and waxed in a clear wax to preserve the wood and paint.

Secret drawer under top of chest making it have an unusual amount of large drawers, all working and in good condition. Drawers run smooth. Lovely escutcheons, brass locks on some drawers but unfortunately no keys.

Fruitwood Handles, with mother of pear buttons in centre (on some). Wonderful dowled mushroom bun feet, left natural. Size: 46" length by 50" height - 21" side width. Solid and ready to be used again for another 100 + years.
