SUPERB RED BERGHAUS 30 FREEFLOW BACKPACK HIKING RUCKSACK BAG TRAVEL BACKPACK + COVER

This rucksack is very solid, practical, with a lot of compartments and zip up areas to store your items in whether large items or smaller items such as your mobile and keys. As you can see with its bold red and black design, it also looks great.

It is ideal for long travel and very comfortable and secure and also the curved design is to allow air flow and therefore leaving the back aerated and not prevents sweating.

This item measures approx 60 cm x 40 cm.

This rucksack in a very good overall condition. It is clean with all fixtures, zips etc in good order and working well. There is also a rain.
