Peugeot Speedfight 3 IceBlade 125 Scooter, Engine: 125cc, Year/Reg: 2014/WU14, Mileage: 2300, Colour: White, Only one owner from new with full main dealer service history. New MOT, Up close the new Speedfight 125 in its Pearl White IceBlade special edition paintwork with contrasting graphics looked just as good as expected. There?s no doubt about it, this is a classy looking scooter. It?s detailing is spot on and designed to appeal to a broad section of riders, from the 17 year old who can?t afford car insurance to the mid thirties returning rider looking to ditch the car. If you?re looking for a stylish sporty scooter you?ve come to the right place. With alloy footplates, polished bar ends, a rear spoiler, wavy front disc, four pot radial front calliper and gorgeous digital clocks the Speedfight 3 125 is a beauty. This little scooter is surprisingly quick. It sounds quite willing as soon as you start it up and it will beat most cars away from the lights without too much trouble. It keeps up with traffic easily enough so those mid range mods have been well worthwhile. As 125cc scooter brakes go you?ll struggle to beat the Speedfights stopping prowess, that radial front calliper has loads of power, as does the rear. Couple that with the grippy Hutchinson tyres, a short wheelbase and relatively light weight and you?ve got a sporty little scooter that is great fun to ride and handles very well. These days lots of older riders are getting a scooter rather than using public transport, or a second car and they do make perfect sense. A 125 can be a great way to get around and as the Speedfight proves it doesn?t have to be dull, or expensive. If you?re looking for sports styling, rather than luxury executive scootering the Speedfight 125 will make a great addition to your.
