Here we have a very good example of the Yamaha YZF-R125. A Tail tidy has been added to the bike to give a more racing look and de-clutter to back end. Top spec engine protectors have been fitted just in case the worst should happen. Fitted with a seat cowl, this gives the looks of a single seat racer. With a Cat1 alarm for security, this will also reduce those heavy insurance costs. This bike can be ridden with a CBT certificate. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. All of our bikes also come with 3 years free legal cover. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. *NOTE: Alarms can be fitted to any bike at an additional**
