Here we have an excellent example of the Ducati Diavel Carbon, Fitted with a fly screen for that extra bit of wind protection. Fitted with a seat cowl, this gives the looks of a single seat racer. This bike is fitted with an Anti Lock Braking System (ABS), so no more need to worry about those drain covers or white lines. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. The bike comes with all original keys and manuals as were supplied new. This bike has Full Documented Service History and has had no expense spared in maintaining it. A Hugger has been fitted not only for looks but to keep the dirt from the road hitting the paintwork. The bike has also been fitted with a performance exhaust, this allows a little more of a growl upon acceleration and also allows the throttle to be a lot more responsive. The bike is also fitted with LED Indicators, these not only look fantastic but give a brighter more visible illumination. A premium comfort seat has been fitted to this bike, those long ride outs just got better. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. *NOTE: Alarms can be fitted to any bike at an additional**
