

Rabbit re-homing (10 GBP)

Location **East Midlands, Nottinghamshire**
<https://www.freeadsz.co.uk/x-373600-z>

As a responsible hobby breeder of mini-lops I always take back bunnies i've bred that can no longer be cared for anymore for whatever reason, I then look to re-home them in 5-star pet homes. Also, some of my retired breeding bunnies will occasionally be available for re-homing if I think they will benefit from a loving pet home to live out their days. Please see my website for more details: saffron-springs.
