The Harpenden floor sanding and finishing team have years of experience in bringing back to life the wooden flooring of residential and commercial properties in Harpenden.

Our complete, start-to-end package of wood floor care and maintenance services covers everything you need to renovate and look after your wooden flooring in Harpenden. We use only the finest quality materials, the highest performance equipment and great professionalism so we can give you what you want and need. We can gap fill, sand, varnish, paint, stain, polish, buff, finish with choices of wax, oil and lacquer.

We use eco-friendly stains and other finishes, releasing the hidden potential in your natural wooden flooring. Make your flooring in Harpenden shine again - now is the perfect time to start transforming your home by realising this underestimated hidden asset. If you have more questions and want to find more, please contact us or visit our.
