This is an oak wall clock measuring 25" tall and 15" wide. I bought it at The Antique Fair at Peterborough Show Ground in March 2011, not working. I took it to Richards & Son in Stilton the clockmakers. He was booked up until December 2011 so returned then. He kept it until March 2012, cleaned and oiled it and I paid him £145 for the service. I also paid £25 for an insurance valuation letter. We used the clock until early 2014 when we redecorated and the clock was put away on the top of the wardrobe. As we have not used it since then We have decided to sell it. The insurance quote has approximate value of £390, i have the paperwork. Circa 1930.
