My beautiful BLUE KC Registered girl FLEUR has produced 6 pure quality, beautiful BLUE puppies. Dam & Sire are KC Registered and have EXCELLENT BLOODLINES.

The Both are true to type, HEALTHY, wrinkly BLUE brush coat shar peis. DAM is our family pet and has the most gentle and friendly temperament. To describe FLEUR as beautiful would truly be an understatement. SIRE is ROLO who is also a family pet (not owned by myself) and also a stud who has sired previous litters, which are nothing but QUALITY! These puppies are the result of a well planned mating in order to produce puppies which scream nothing but QUALITY! Even at such a young age it is clear that these puppies are something SPECTACULAR. This is FLEURS first litter and she has produced 3 MALES and 3 FEMALES, all BLUE in colour. Puppies were self whelped on 30/05/2016. Will be ready to leave at 8 WEEKS on 25/08/2016.
