a Romanian rescuer is seeking indoor homes for some of her lovely rescued cats. The cats were rescued last summer as kittens so are just a year old. The cats are affectionate, playful and used to living with other cats. All will be neutered, vaccinated and microchipped before coming to UK. If you can offer an indoor only home and have sufficient space for a feline friend please consider giving one of these sweet cats a chance. visit our website for more details about adopting www.worldanimalfriends.co.uk ;
