Suit Rider Height approx: (157 cm to 167 cm) Suit Rider Age approx: 16 years to Adult. ----- This is a hybrid bike, meaning it has characteristics of a mountain bike (handlebars, tyres), and features of a racing bike, (no suspension, sporty looks). The unique frame design makes it suitable for male or female to ride. Upgrades: It has long back mudguard to ensure that rain water doesn't splash on your back. The rack can hold work bags or side panniers. I have also fitted colour coded pedals, and large spring comfort seat. Side Panniers – in the picture, are not included in the selling price. I put them on for the picture as a demonstration. They are new, and have never been used. They cost £10 if buyer wants to buy them. Condition: Everything working as it should.
