Hi thanks for viewing my listing This Jeep is in good condition all round. Benefits from a recent service and a new mot Tyres are good. Electric heated seats with electric lumbar support. All electrics work well. A good car all round only issues are listed below. Abs light has just come on, brakes work perfectly though, also the air conditioning doesn't work, requires a regas, both of which I am happy to do or negotiate on the price. Bought another car and a classic so no longer have the space,;
