

Short-term property management service.Earn more money with us

Location **London, London**
<https://www.freeadsz.co.uk/x-388591-z>

Need help managing your property? Want to earn more money? Want to rent your property while away on holidays?

We are looking for property owners who wish to start renting their properties daily instead of monthly. We are a professional team that can make you earn more money by renting your property daily.

What we offer:

- Manage all reservations/bookings
- Cleaning and maintenance
- Check in and check out of guests
- Price optimization
- Verify identification of guests
- Creation of listing on several online platforms(Airbnb,etc.)
- Arranging for a professional photographer to visit your property.
- Essentials and gifts
- You keep complete control of your property
- Many more!

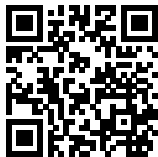

We don't charge any up-front fees! We work on a commission business model so we will earn money only when you do!
