

This Beauford Mk III convertible wedding car was professionally built in 1992 to an exceptionally high standard by a main dealer using a 1982 donor car. During the build it was fitted with many new parts including the alternator, starter motor, Weber carb, radiator, fuel tank and coil.

I believe that the Mk III is still a current model.

It is distinguishable by the rolled edge effect to the wings and costs well in excess of £30000 to buy new. Bodywork finished in Cream & Burgundy with a convertible black hood and side screens. Recently re-upholstered in burgundy with cream trim and new carpet.

The near side front seat is fitted with a double slider system for easy access to the rear.

12 months MOT until September 2016, with all the previous mot's available. It will be sold with a new MOT if required.

The car is in very nice condition with a few used related marks and has been kept in a dry, warm, well ventilated garage.

It is fitted with a 2.0 litre Ford engine with a manual gearbox, I have extended the gear stick for ease of use and to make it look more authentic unlike many Beaufords that I have seen with automatic transmission levers.

It has been a very reliable car over the last 23 years of ownership, very easy to maintain (no ECUs, sensors, complicated electronics nor expensive components) and economical to run with low insurance costs.

A great investment and all ready for the wedding season.

The car achieves £150 (weekdays) to £300 (weekends) on wedding hire and has a realistic potential of

I am not self with a car. I have two.
 Regret not selling the car before retirement.
 And the car is in inventory. I am encouraged.
 And the car is you. I am not please of.
 I should add that I have owned the car from new.

The private number plate will remain with the car and is included in the sale.
It had a run-in conditioned engine fitted about 7,000 miles ago and a new clutch about 1,000 miles ago and a new battery last year.
I also have a number of new spares that are included, i.e. rear silencer, air filter etc.
Clear personal cheque, cash or direct payment only!

In response to a number of enquiries I would like to make it clear that I am open to offers somewhere around the asking price and that I am not interested in any swaps.

It will be sold with a new MOT if.
