

Trachycarpus Palm (29.95 GBP)

Location **West Midlands, Worcestershire**
<https://www.freeadsz.co.uk/x-388932-z>

The king of hardy palms, and proven hardy to minus 19 degrees in my Worcestershire garden. This is a really easy plant to have in your garden, and thrives in most locations. Summer has arrived and these palms make a real fantastic statement in your garden or on your patio. The palms for sale are approx. 4ft tall and ready to plant out or pot.
