TV unit made from solid pine and finished in a mahogany colour. This is a slight second and is reflected in the price at £50.00. Perfects are available at £149.00. All furniture is constructed from solid timber, not veneered chip board. Many other products available ie. ex display items seconds/returns and clearance.

This range of pine furniture was born on the back of the Cambrian range and like the Cambrian range of bedroom furniture, came from the same factories and manufacturers with the same build quality and affordability. It was created as a range of lounge and dining furniture to be both stylish and be an alternative to the more expensive hardwood ranges.

As with all of our pine furniture this range is produced from sustainable pine forests in.
