

# Project to Manage Don039t know where to start Needing guidance Yes Then I can help

Location **Scotland, West Lothian**  
<https://www.freeadsz.co.uk/x-389395-z>

Are you a small or medium enterprise who wishes to formalise your project management function? Do you need someone to manage a one-off project? Do you require ongoing or short-term support? Are you looking at setting up formal project management procedures or require a toolkit designing and training of staff for ongoing use? Do you require assistance with all your policies and procedures to obtain ISO 9001 accreditation? Or Are you an individual who is embarking on a personal project i.e. extension, new build, renovation and wish to obtain the services of a qualified and reputable project manager? Yes? Then I can help. For a no obligation discussion on how I can assist please feel free to contact.
