I would like to swap a Cannondale trail S5 cycle in new condition. The swap I would like is for an LG G3 mobile phone but not a LG 3s or for a LG G4 but not an LG 4c. The phone must be on O2 or unlocked. The cycle am swapping was bought for my son, who hardly used it, feel free to come and view. Ring Ray on 07523309108 075233091...(click to reveal full phone number) for a test ride. Thanks for watching. Location Washington NE38.
