

BEAUTIFUL BLACK FEMALE PUG PUPPY FOR SALE (850 GBP)

Location **East Midlands, Northamptonshire**
<https://www.freeadsz.co.uk/x-391061-z>

I have for sale this absolutely gorgeous female pedigree pug puppy. She is 13 weeks old today (14/7/16) and ready for her forever home. She comes from a litter of three.

Mother is a fawn KC registered 5 gen pug, Brandy (here's Brandy) Eastonite and Decaylite, champions in her bloodlines.

Father is a black KC registered 5 gen pug, Wicked (Dancing in the raindrops) Eastonite and champions in his bloodlines.

Paper work for both parents can be seen and can be viewed with mum.

Unfortunately we are unable to have her KC registered due to her mum having restrictions put on her by the breeder we got her from.

She takes hers to crufts. She said that she would only agree to lift these restrictions if we agreed to show Brandy which we have not been able to do as I have a disabled child to look after.

Puppy has had both injections, been microchipped, fully wormed and flea treatment up to date.

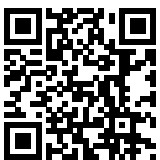

Fully weened on Jameswellbeloved turkey and rice puppy dry food (also loves chicken).

She is a little star at going to the toilet outside already, is extremely affectionate an absolute bundle of joy. She has been fully vet checked, the vet mentioned that she had slight pinched nostrils which is common for breeds with short faces and apparently according to the vet they can grow out of it.

The vet didn't seem to think it was anything to worry about, checked her heart and lungs and both were fine and are completely normal.

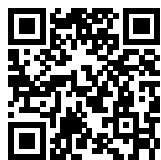

She has been absolutely fine all the time we have had her (since birth)

Price further reduced due to this.
 The puppy will be a lovely dog.
 She also loves to play with her toys, food and people and smells like
 a flower. For more information or to arrange a visit please feel free to contact us.
