Im very sadly having to sell my brand new wedding dress as it dont fit my hips and just trying to get some money back for what i paid for it .

Its a size 24 but mabe small made as
 waist 41" hip 50"
 corset laced back with added bra strap for secure fit

its good quality silk and organza layers with fitted under netting

ive ordered a new dress and the sale of this dress will hopefully cover cost of dress im getting.

has to be seen to see the real beauty of it as pics dont do it justice
 i will try take better pics soon
 CAN BE VIEWED AT MY MUM IN-LAW TOBE HOUSE IN CARFIN ML1

thanks and hope makes someones day sooo
