Well maintained and sound bike, runs as it should do. To include GIVI luggage system rear carrier and colour matched top box. Also has Bagalux colour matched GSX1400 tank cover. New upgraded oil cooler fitted. Renthall bar and end mirrors, GIVI fly screen. I have the original fitments if you need them to turn it back to standard. Stainless header pipes. Tyres, chain and sprockets have less than 3000 miles. I have a very detailed maintenance and service history but no stamped up service.
