This is a great caravan, very good condition for its age, the end was in a very clean area, has a hob and grill, electric boiler, water pump, also heater works of gas as well as electric very easy to work and heats up pretty quick. You have blow in a heating well which is fitted all the way through the caravan which gets the heat all through the van in a small space of time.

The washing room is at the rear end of the van to the side, there is a swivel toilet, sink and also a shower. This is a single axle caravan, easy to tow, tyres are good too. Has all the paperwork and the manual to help you get started.

Can deliver for a fee.
