No deposit or rent upfront!

Thanks for clicking through and let me clarify this unbelievable offer. **NO DEPOSIT** That's right. No deposit to pay whatsoever. Why? Because we trust you! We believe business is a two-way street. If we trust you we hope you can trust us. We are looking for long-term renters of our vehicles, not a few weeks here and there. We want to build a long-term relationship with our drivers and want to consider them part of our family. **NO RENT UPFRONT** We are not even asking for the first week upfront, either. Like I said before, we are looking for long-term renters who are hard working, responsible cab drivers who want to work at least 40 weeks a year. We are not interested in how much you can pay upfront at the start of the contract. We are more interested in what you can pay during the contract. **NO RUNNING COSTS** We will supply the car taxed and MOT'd with a full PCO licence. We will pay for all maintenance, servicing and repair costs. You can just focus on the driving! **TAKE HOLIDAYS** If you want a week off just let us know. We won't ask for the car back. Just keep it on your driveway and resume paying when you are back. Everyone needs a break! **WHAT WE WANT FROM YOU** We want you to: Look after the car as if it were your own. Our car is your car. It is your very own workhorse. We expect you to take it in to our approved garage when it needs maintenance, a service or repair. Insure the vehicle with a full hire and reward insurance policy. Sign a long-term agreement with us, preferably 4 weeks but we can agree a shorter term if necessary. Remember you can get 4 weeks off per year if you require for holidays etc. Allow us to sign paperwork at the address where your driving licence and pco licence is registered. Pay a small delivery charge of £39 to cover the cost of delivering the vehicle to your house. We can get a car to you within 3 hours of you contacting us. Our cars cost only £19.50 per day and remember you can pay the rent at the end of the week not at the start. So do you like the sound of who we are and what we are

about? Do you think you can work with us? If so, what are you waiting for? Get in contact. We need your driving licence, your car, national insurance number and a valid POLI. Long term only!
