Toto is a beautiful female cat that was abandoned in my neighbourhood. I cannot take care of it for much longer because I live in a student hall where pets are not allowed. Toto loves affection and is very well-behaved. It is a young cat so I am guessing it is about 1-2 years old. I am giving it for free as I just want to find a good forever home for it. Don't hesitate to contact me if you would like to know more about.
